

PRESS RELEASE

TRESCAL ANNOUNCES THE MERGER OF ITS THREE CANADIAN SUBSIDIARIES

Montréal, December 18, 2019

Primo Instrument Inc., Digital Measurement Metrology and **Industrial Systech Ltd**, offering calibration, repair and purchase of measurement equipment, announce today a definitive merger contract to strengthen the services offered to Trescal customers in Canada.

The merger of the three companies exists under the name of **Trescal Canada Inc**. The management of Trescal Canada Inc will be entrusted to Kathy Boyd, President of Trescal in North America and Pierre Tetrault, the Country Manager of Trescal in Canada..

Trescal acquired Primo Instrument Inc, located in Montreal, on January 1, 2016. The parent company of Trescal Canada Inc will be located at this location.

Digital Measurement Metrology and Industrial Systech LTD joined the Trescal Group in 2017. They share the Brampton, Ontario office.

The integration of the companies will be as of **December 31, 2019**. All customers will continue to enjoy the same quality of service they are used to. The merger process will not affect the day-to-day operations of the companies.

ABOUT TRESICAL

Trescal is an international specialist in calibration and provides a broad range of services for the testing and measuring equipment market. Trescal is represented in 24 countries: Australia, Austria, Belgium, Brazil, Canada, Czech Republic, Denmark, France, Germany, Italy, Luxemburg, Malaysia, Mexico, Morocco, New Zealand, Singapore, Spain, Sweden, Switzerland, Netherlands, United Kingdom, United States, Romania and Tunisia. Supplementing its standard technical services (verification, calibration and repair of T&M instruments), Trescal provides expertise in the implementation and acquisition of measurement systems, customized equipment pool management software solutions, metrology and technical support, and training. Trescal operates 142 calibration laboratories and employs over 3,550 people across the world. Trescal provides services to 50,000 customers in a variety of sectors such as Defence, Aerospace, Aeronautics, Automotive, Power Generation & Utilities, Electronics Manufacturing, Communications and Medical & Chemistry. Trescal has Pro Forma sales of Euros 340 million.
