

## PRESS RELEASE

### TRESCAL AUTHORIZED SERVICE PROVIDER FOR PRESYS INSTRUMENTOS E SISTEMAS

**Paris, September 18<sup>th</sup>, 2017.**

**PRESYS**, Brazilian manufacturer and distributor specialized in measurement instrumentation and manufacturing systems **has signed an agreement with Trescal**, the worldwide specialist in calibration services **to provide calibration services to its customers in Europe, North America and in Asia.**

This agreement recognizes Trescal's expertise in metrology and maintenance.

Trescal will perform **calibration and repair services** on Presys instruments in particular on pressure and temperature calibrators.

The services will be carried out either in Trescal laboratories in France, Germany, Spain, Italy, USA and Singapore or on customers' sites by qualified and trained Trescal staff in compliance with applicable standards and technical specifications defined by Presys.

The agreement which took effect on April 1<sup>st</sup> is valid for a period of 3 years.

*"Providing a repair and calibration One-Stop Solution for our international customers is a necessary path for a successful and sustainable growth. We are proud to count on Trescal network of laboratories for providing such professional services"* Marc Vantournhoudt, International Sales Manager; Brazil.

*"We are very happy that Presys have chosen Trescal as their calibration and repair service provider in several countries and continents. Through our international network of laboratories, we are able to meet the expectations of Presys offering our customers a unique geographical coverage and a high quality service based on a recognized expertise."* Francis, Richard, CTO Trescal.
