

PRESS RELEASE

TRESCAL ACQUIRES PYROMETRO SERVICES S.B. IN MALAYSIA

Paris, October 31st, 2017. Trescal, the international specialist in calibration services, announces the acquisition of Pyrometro Services S.B. (Pyrometro), a calibration services provider based in Malaysia. This first step in Malaysia expands Trescal's geographical footprint and technical coverage in South East Asia. This acquisition has been completed with the support of Ardian, its majority shareholder.

Founded in 1992 in Kuala Lumpur, Pyrometro is a Malaysian one-stop-shop calibration company comprising four accredited laboratories all across the country, with strong capabilities in electrical (electro-magnetism), torque, hardness and temperature domains. Pyrometro employs 168 people, generates a turnover of 15 million Malaysian Ringgit (~3,0 m€) and is mostly active in the Life Sciences sector.

Guillaume Caroit, Trescal Deputy CEO, said: *"We are delighted to continue our Asian external growth strategy with Pyrometro and its excellent management team, Mrs. Cindy Tan and Mr. Teo. They will stay on board to accompany our development in Malaysia. Our ambition is to reach 40 to 50 M€ sales in Asia by 2022 through organic growth and acquisitions."*

This acquisition is the twenty-third acquisition since the change of ownership to Ardian in July 2013.

ABOUT TRESCAL

Trescal, international specialist in calibration provides a broad range of services for the test and measuring equipment market. Trescal are represented in 22 countries: Austria, Belgium, Brazil, Canada, Czech Republic, Denmark, France, Germany, Italy, Luxemburg, Malaysia, Mexico, Morocco, Singapore, Spain, Sweden, Switzerland, the Netherlands, United Kingdom, United States, Romania and Tunisia. Supplementing the standard technical services (verification, calibration and repair of T&M instruments), Trescal offer their expertise for the implementation and acquisition of measurement systems, customized equipment pool management software solutions, metrology and technical support, and training. Trescal operate circa 100 owned calibration laboratories and employ + 2,600 people across the world. Trescal service 35 000 customers in various sectors such as Defense, Aerospace, Aeronautics, Automotive, Power Generation & Utilities, Electronics Manufacturing, Communications and Medical & Chemistry.
